## **Registration Open for NWSA Webinar on May 30**

*Webinar to Focus on How to Become an NWSA Practical Exam Test Site*

[REGISTER HERE](#)

(Fairfax, Virginia) - The National Wireless Safety Alliance (NWSA) is encouraging industry employers, trainers and workers to register to participate in the organization's upcoming free webinar on Wednesday, May 30.

**Title:** Becoming an NWSA Practical Exam Test Site

**Co-Presenters:** Erin Jones, NWSA Practical Exam Program Manager and Clint Cook, NWSA Practical Exam Accreditation Program Instructor

**When:** Wednesday, May 30 at 11:00 AM EDT/10 AM CDT/9 AM MDT/8 AM PDT

**Registration Link:** <https://attendee.gotowebinar.com/register/966427131109561089>

**Topics:** During this webinar, participants will learn the following:

- Benefits of hosting NWSA practical exams at your facility
- How to register your site to host NWSA practical exams
- Roles and responsibilities of Practical Test Site Coordinators and others involved in practical testing
- Best practices for being an effective Practical Test Site Coordinator

- Resources available to Practical Test Site Coordinators

Industry workers, companies and other stakeholders are encouraged to visit the NWSA website at [www.nws-a.org](http://www.nws-a.org) to learn more about the organization and how to begin the process of obtaining certification.

###

#### *About National Wireless Safety Alliance*

*NWSA, headquartered in Fairfax, VA, is a national non-profit assessment and certification organization established to provide thorough, independent assessments of knowledge and skills and verifiable worker certification in order to enhance safety, reduce workplace risk, improve quality, encourage training, and recognize the skilled professionals who work on towers and other non-standard communication structures.*
